DECLARATION OF W. FARRELL EDWARDS UNDER 37 CFR 1.132 ESTABLISHING SUFFICIENCY OF DISCLOSURE

I, W. Farrell Edwards, acknowledge that any willful false statements made herein are punishable by fine or imprisonment or both, and that they jeopardize the validity of the application or any patent issuing thereon. All statements made herein are made of my own knowledge, and are true, and all statements made on information and are believed to be true.

1. I hereby declare that I am W. Farrell Edwards, professor of physics at Utah State University, Logan, Utah. I received a Ph.D in physics at the California Institute of Technology in 1960, and have worked in my present position, including teaching and research, since 1959. I am the first-named inventor of the present invention.

2. My principal fields of research are in fundamental electrodynamics, relativity, and plasma physics. I began doing research that led to the present invention in 1979.

3. We are currently using a tokamak acquired from a Canadian facility in our ongoing research relating to the present invention.

Dated this 15th day of May, 2006.
